

SEVENTY FIRST CLASSICAL MIDDLE SCHOOL

POLICIES ON LOCKERS, BOOK BAGS, GYM BAGS AND PURSES

Lockers

- When required school paperwork is returned to the homeroom teacher, each student will be provided a locker. Lockers will not be issued unless the student has a lock as well. **Only locks purchased at school may be used.** (See Student Planner page 8 for Locker Guidelines.)
- Students may visit their lockers on the following schedule:
 - 7:20 AM – All students may go to their lockers
 - Top lockers after odd numbered periods
 - Bottom lockers after even numbered periods
 - 2:28 PM – Bus Riders released to go to lockers
 - 2:30 PM– All students may go to their lockers

Book bags

- Students may use book bags to transport items to and from school. Book bags should be placed in a locker before the student reports to class and should remain in the locker until the student leaves campus for the day. Any style of book bag is acceptable.
- Book bags may not be used in the hallways and other areas of campus at SFCMS. Medical exceptions require a doctor's note.

Gym Bags

- Students may use small clear or mesh bags to transport gym clothes.
- Mesh gym bags are available for purchase through the school, once each semester. These purchases are optional.
- Other items that are allowed in clear or mesh gym bags include the school planner and a small pouch for personal items.
- **Textbooks are not to be transported in gym bags.** These type bags are not designed as book bags, do not offer the proper support for carrying heavier items, and are not durable enough for such use.

Purses

- Students are allowed to carry purses for the purpose of transporting personal hygiene items and/or any required medication (asthma inhalers). The appropriate documentation must be on file with the school for the medication. **Purses should be no larger than 8 inches x 8 inches x 3 inches.**
