

SCHOOL PICTURE DAY IS SEPTEMBER 22, 2017
Make-up Picture day will be October 25, 2017

Smile for the camera and dress to impress! We will take a picture of all of our students and staff for the yearbook. Pre-pay envelopes are provided if you wish to purchase a picture package. Additional envelopes will be available on site. You may also purchase packages online. Proofs will not be sent home, so please take advantage of the pre-pay if you would like to purchase pictures.

For this event, we will allow a “dress up” day. This will not be a “dress down” day. School uniform is acceptable to wear if you would like, or you may choose to wear something special. If young ladies would like to wear a school-appropriate dress, that is acceptable. Otherwise, students are expected to wear dress code pants, skirts, etc. with a dressy shirt, if desired. The following items will not be allowed.

- Jeans or denim clothing
- Low-rise, sagging or oversized clothing
- Shorts, dresses or skirts that do not meet dress code length or style requirements
- See-through, fishnet, midriff, tank tops, or low-cut clothing
- T-shirts, jerseys, or shirts with slogans or writing
- Flip flops or other non-dress code shoes
- Sunglasses, hats, or scarves covering the head
