

Calling All Volunteers!

SFCMS needs your help. Every EOC, EOG, and NC Final Exam test site must have a certified test administrator *and* a test proctor. We cannot complete testing without the volunteer help of parents and other committed community volunteers.

If you are willing and able to serve as a testing proctor for any of the upcoming test dates, please complete and return this bottom portion of this form as soon as possible. Proctor training will be provided each morning of testing at 7:00 a.m. You will be finished within 30 minutes and will report to the testing site by 7:30 a.m. A one-time proctor training session will also be held on Wednesday afternoon, May 23, for those who would like to complete their proctor training in advance.

Thank you!!

Date	Test
Monday, April 23, 2018	8th Grade Math 1 Field Testing
Thursday, May 24, 2018	6th, 7th Grade Science NCFEs 8th Grade Science EOGs
